

## The Administration of Medicines Policy in Scoil Eoin

While the Board of Management has a duty to safeguard the health and safety of pupils when they are engaged in authorised school activities this does not imply a duty upon teachers to personally undertake the administration of medicines.

The Board of Management requests parents to ensure that teachers be made aware in writing of any medical condition suffered by any children in their class.

### Medication

- **Non-prescriptive medicines will neither be stored nor administered to pupils in school.**
- **Prescribed medicines** will not be administered in school without the **written consent of parents and the specific authorisation of the Board of Management.**
  - The medicine should not be kept by the pupil but in a locked cupboard out of reach of pupils. Certain medicines, such as inhalers used by asthmatic children, must be readily accessible at all times of the school day.
  - The medicine should be self-administered if possible, under the supervision of an authorised adult.

### Policy Content

#### **Procedure to be followed by parents/ guardians who require the administration of medication for their children:**

- The parent/guardian should write to the Board of Management requesting the Board to authorise a staff member to administer the medication or to monitor self-administration of the medication. (Appendix 1)
- Parents/ guardians are required to provide written instructions of the procedure to be followed in the administration and storing of the medication. (Appendix 1)
- Parents/ guardians are responsible for ensuring that the medication is delivered to the school and handed over to a responsible adult and for ensuring that an adequate supply is available. **The expiry date is the responsibility of the parents/ guardians in the event of certain specific medicines being stored.**
- Parents/ guardians are further required to indemnify the Board and authorised members of staff in respect of any liability that may arise regarding the administration of prescribed medicines in school. (Indemnity Form)
- Changes in prescribed medication (or dosage) should be notified immediately to the school with clear written instructions of the procedure to be followed in storing and administering the new medication.
- Where children are suffering from life-threatening conditions, parents/ guardians should outline clearly in writing, what should and what should not be done in a particular emergency situation, with particular reference to what may be a risk to the child.
- Parents/ guardians are required to provide telephone numbers where they may be contacted in the event of an emergency arising.

#### **Procedures to be followed by the Board of Management**

- The Board, having considered the matter, may authorise a staff member/ members to administer medication to a pupil or to monitor the self-administration by a pupil.
- The Board will ensure that the authorised person is properly instructed on how to administer the medicine.

- The Board shall seek an indemnity from parents/guardians in respect of liability that may arise regarding the administration of the medicine.
- The Board shall make arrangements for the safe storage of medication and procedures for the administration of medication in the event of the authorised staff member's absence.

## **Responsibilities of Staff Members**

- No staff member can be required to administer medication to a pupil.
- Any staff member who is willing to administer medicines should do so under strictly controlled guidelines in the belief that the administration is safe.
- Written instructions on the administration of the medication must be provided.
- Medication must not be administered without the specific authorisation of the Board of Management.
- In administering medication to pupils, staff members will exercise the standard of care of a reasonable and prudent parent.
- A written record of the date and time of administration will be kept.
- In emergency situations, staff should do no more than is obviously necessary and appropriate to relieve extreme distress or prevent further and otherwise irreparable harm. Qualified medical treatment should be secured in emergencies at the earliest opportunity.
- Parents/guardians should be contacted should any questions or emergencies arise.

**Parents should ensure that these procedures are clearly understood before submitting any request to the Board of Management.**
